

REVIEW OF PARENT PICKUP PROCEDURE

- Please form only a single waiting line facing North on SW 29th Avenue from Ceitus only
- Prepare to turn right onto school property, through the black swing gate
- After passing the black swing gate, both lanes of travel may now be used
- VPK parents should continue to utilize the right lane
- Please do not attempt to merge into the waiting line by the school entrance. All arrivals should take their place at the end of the line

Please form only this single lane. Problems have occurred whereby two lanes of North travel have actually prevented Southbound traffic from leaving the school along SW 29th Avenue. For emergency purposes and courtesy reasons, both North and Southbound lanes of travel must be left open to travel. Driving or parking on the wrong side of the roadway is a violation of Florida law and puts people in danger. The Cape Coral Police Department is assisting us through this process and will be periodically checking to make corrections where necessary. Persistent violations will be ticketed. Please review map on the reverse side.

Thank you for your cooperation!
