

2009-2010 Jeans Day Information

Dear Parents,

Last year we held several days where we allowed students to wear jeans, providing they brought in \$1.00 for community support projects. We also allow students to wear Spirit T-shirts on certain days. I have provided a calendar below that gives you the dates that students may wear jeans or Spirit T-shirts. **Beginning September 4th, we will have two days of the month set aside, the first date will be to raise funds and the students can wear jeans and school uniform shirt. The second date will be for fun, and the students can wear jeans and spirit shirt.** The money will be used for special community projects, such as helping our families out at Thanksgiving, donating to the Cape Coral Caring Center, supporting Odyssey of the Mind activities, and other worthwhile projects. Students may turn in the money to the classroom teacher in a clearly marked envelope. Please stick to the following schedule only:

September 4 th (\$1.00 jeans day)	September 18 th (free jeans/spirit shirt)
